Dc - Double crochet- Sc (single crochet)

Htr- Half treble- Hdc (half double crochet)

Tr - Treble- Dc (double crochet)

SPECIAL STITCHES:

Puff Stitch (PS): (Yarn over, insert hook in designated space and draw up loop) 4 times, yarn over and draw through 8 loops on hook.

NOTES ON PATTERN:

The cardigan is a drop-shoulder design, comprising 5 panels: 1 back, 2 fronts, 2 sleeves. It is worked from the bottom up and then all the panels are seamed.

Initial 2 ch does not count as a stitch for the back and front panels, so you should do a treble (double crochet) on that space where the initial ch begins. However, when making the sleeves, 3 ch does count as 1st treble (double crochet), so you should start crocheting in the 2nd stitch.

The puff stitches and chains worked on even rows will count as stitches on the next row, so you should do a treble in each chain space and puff stitch. You could add buttons like the sample design or leave the buttons out.

ASSEMBLY AND FINISHING

Left and right in the instructions are given as if the cardigan was worn.

Place your front left and front right pieces on top of your back panel with the right sides touching. Using a yarning needle and the yarn left on the front panels, join the fronts to the back using the slip stitch technique.

Using the same technique for sewing attach the sleeves to the body and sew the sides of the cardigan and sleeves.

After the cardigan is assembled:

Work a row of half treble (UK)/ half double crochet (US) around the right front panel, the neck and left front panel.

Work a row of half treble/ half double crochet around the bottom of the cardigan. Cut yarn and hide all threads.

Attaching the buttons:

You will sew the buttons onto the front left trim as worn. Starting from the bottom, miss the first 3 rows (the htr row does not count as a row) and attach 1st button on the 4th row. Repeat this row with the rest of the buttons.

NOTE: There's no need to create button holes in the trim as we are using the holes created by the treble/double crochet along the trim to button up the cardigan.

WASHING ADVICE

Always wash in as warm a water temperature as possible - up to the temperature recommended, with a short spin. Use a lot of water if hand washing. For darker colours we recommend the use of discolouration sheets.

Do not Bleach. Do not tumble dry. Drip-dry on a horizontal surface.

Iron on a hot temperature setting using a damp cloth. Professional dry cleaning in tetrachloroethylene. Do not use optical brighteners (or any detergent containing optical brighteners). We recommend to use a softener to preserve the natural softness of the yarn.
